

# WEEKLY NEWSLETTER

19th May 2017

EDITION 16

Our focus value is: **Service**

Dear Parents/Guardians

The school governing body provide strategic leadership and accountability in school. That governing body is made up of different representatives. Shortly after half-term, the governing body will be seeking to appoint a new 'parent governor'. The role of a parent governor includes:

- Helping to decide the priorities for improving the school
- Making yourself available to parents, listening to other parents' opinions and taking them into account as you contribute to governors' decisions
- Working in partnership with the headteacher, senior leadership team and co-operatively with other governors to raise standards and improve outcomes for all children
- Preparing for meetings by reading papers beforehand

More information will be sent out with the letter but if you would be interested in such a role you can find out more by speaking to me directly.

Children in class 2 and 3 enjoyed a visit by 'United Utilities' last week. Both classes spent time looking at water usage and the importance of using water carefully.

Sports Day will be on Thursday 8th June this year. We will let children know their team colour next week in preparation. Parents will be welcome to come along and cheer for their team. Fingers crossed for good weather!

You will see that the reverse of this newsletter is the poster for the Summer Fair and Sports Day. Please continue to spread the word and bring as many people as you can along on the day. As we continue to prepare, we are holding a **non-uniform day** next Friday. In return for coming in non-uniform, we would appreciate donations to the tombola—this is always a popular stall!

Next Friday (26th May) we break up for half-term. We will welcome the pupils back to school on Monday 5th June. Have a lovely break—we're nearly at the end of the year already!

Mr C Steele

Head Teacher
