EDITION 12

Our focus value is: **Justice**

Dear Parents/Guardians

Thanks to all of those that have supported events this week. We really enjoyed the Easter Café on Thursday. It was an opportunity for parents to visit school and spend time with their children looking at the brilliant work they have been doing. I will be looking to offer more opportunities for parents to come in and see the wonderful work that we do in the future.

Class 1 have finished a brilliant project about weather this week but it was truly capped off when Paul Mooney (BBC weatherman) put Crosby on the map! The children asked him if he would say 'Hi' on the next forecast when he visited last week, but he said that he couldn't. Instead, he put Crosby on the map for that evening's forecast!

I would like to apologise for the reduced capacity in our administration department over the last few weeks. We have tried hard to ensure the school has run as normal throughout the time of absence. We all wish Miss Hodgins a speedy recovery and hope to see her back after Easter.

Upon return after Easter, the new central heating system should be approaching completion. EPS have been brilliant, working around us in school in a safe way and minimising disruption. We are also having a new front entrance door fitted in the Easter break too.

I wish you all a brilliant Easter break with the family and hope that children return well rested on Monday 24th April ready to tackle the summer term.

Mr C Steele

Head Teacher
