SCHOOL WEEKLY NEWS

AUTUMN TERM: 15th January 2016

Dear Parents/Guardians,

Thanks to all of the parents that have popped in to say 'hi' this week. It had been lovely to meet more of you and I am slowly making my way around everybody. I am hoping in the very near future to organise some more open-school events so I can see more of you.

Residential

Several people have asked me about the school residential trip this week. We are planning to have a residential and we are currently just gathering prices and making provisional bookings. I hope to have the dates, more information and costs to you as soon as possible.

The Conservatory

Some of you may have noticed a bit of a smell in the conservatory recently (not a pleasant one!). We have finally identified the issue and have instructed tradesmen to rectify the problem. I can assure you that despite the pongy smell, the area is very clean.

After School Clubs

It is great to see so many children making use of our after school clubs. We are in the process of looking at what the children want and need from clubs and hope to offer more soon.

Yours sincerely,

Mr C Steele
