

SCHOOL WEEKLY NEWS

AUTUMN TERM: 21st January 2016

Dear Parents/Guardians,

Story Telling

Pupils at the school were very lucky to receive a visit from Ian Douglas on Thursday. Ian Douglas is a well known local storyteller who really helps to bring a story to life. Children are captivated by his spirit and learn a lot from listening to him. Ian read a fabulous story to the whole school before working with smaller groups throughout the day to extend their learning about a variety of things including World War 1. We hope to welcome Ian back in the future.

Football

We wish the Class 3 5-a-side football team the best of luck as they look to defend their title at the 'Small Schools 5-a-side football tournament' this weekend. Best of luck team!

IMPORTANT - Be vigilant

A story has broken in the local news this morning in which it reports a suspicious man attempting to engage/entice a local child into their vehicle. It is important to remain vigilant at this time and speak directly to your children to remind them of the danger of speaking to strangers. This is something we have done in school too. The report also goes on to say: "such incidents are rare in Cumbria but confirmed that what happened is being treated as suspicious."
