SCHOOL WEEKLY NEWS

Autumn Term: 09th September 2016

Dear Parents/Guardians

The six-week summer break whizzed by and it feels like we're really back into the swing of things at school. The children have really settled in well and have started working hard. It has been great to welcome several new children and families into the school, all of which have made friends and are enjoying school.

I enjoy telling parents of prospective pupils and visitors to the school how welcoming and friendly our children are and they never let me down. I am very proud of them.

The calendar of events is filling quickly and soon letters for permissions etc will be heading your way. We endeavor to give as much notice as possible but often we have short notice ourselves. I always try to get events onto the calendar on the website so please keep an eye on that regularly. Remember you can download our school app (Schudio App) to mobile phones and tablets too.

We launched several popular after school clubs last week. The details are on the school website and they are listed here on the newsletter. Please note that cookery club does not start until 21st September and will be first-come-first-served.

Monday (12th) sees the start of the Breakfast Club. You now have the option of dropping your children off at 8am and they will be supported in activities and provided with a breakfast before being taken to their classrooms at 0850. The charge for the breakfast club is £2 per day, per child and it must be booked in advance at the office. Pupils in receipt of Pupil Premium funding can access the service for free (please still book in advance at the office).

Mr C Steele
Headteacher

Some of the things we will be learning about next week:

- EYFS pin
Numbers & Counting
Families
