# SCHOOL WEEKLY NEWS

**SPRING TERM: 26th February 2016**

Dear Parents/Guardians,

### The Life Education Bus

The life education bus rolled into school this week and our pupils enjoyed some exciting and engaging lessons whilst onboard. Nursery and Reception children had a session called 'All about me', Year 1/2 looked at their bodies and how they work, Year 3/4 focussed on the brain to learn more about how it works and Year 5/6 had a session about decision making. All thoroughly enjoyed it and the even met Harold the giraffe.

### SATs Preparation

The run up to Easter marks the beginning of SATs preparation for our Year 6 class. The SATs have been through many changes over the last few years making them more rigorous than ever and our SATs boosting programme means that students go into them with great confidence in their abilities. Look out for a date after the Easter hols when we will invite parents in to school to learn more about the tests.

### Residential

The residential letters have now been distributed and we have had a great response. I will be making some final preparations in the very near future but it is looking like it will be a great trip. As and when you wish to make a payment towards the trip, please take the money and your payment card directly to the school office for processing. Thanks

### World Book Day

Don't forget THURSDAY 3RD MARCH! It is World Book Day and we are all planning to dress up as a character from our favourite book. Class 3 have a Harry Potter theme to match their work but the rest of the children can choose whatever they like!
