SCHOOL WEEKLY NEWS

AUTUMN TERM: 8th February 2016

Dear Parents/Guardians,

World Book Day

A little advanced notice: It is World Book Day on **Thursday 3rd March** and we're hoping to celebrate in style here at school. Year 6 are going to have a Harry Potter theme to link with their literacy work but all other children will be urged to dress up as characters from their favourite books (staff will dress up too!)

Vets

Reception and Nursery had a lovely trip to Beacon Vets last week to learn all about different animals and how we can care for them. They thoroughly enjoyed their visit.

Tapestry

We invited parents into school last week to view the new 'Tapestry' system we are running in Nursery and Reception. It is a brilliant online learning journal to allow parents to login and watch their child's progress and see what they have been doing on a daily basis. If you'd like more information about this then please speak to Mrs Mogford or Mrs Walling. Also, remember to spread the word about our Nursery in the local community!

Administration

We have been without Miss Hodgins for a few days now so if you've been trying to get through on the phone or make payments I can only apologise for the delays. We hope to have her back this week.
